Due to unforeseen circumstances Devils Lake Transit is experiencing a driver shortage. Unfortunately we will need to make some changes in hours, starting on Friday March 10th Devils Lake Transit will run from 7:35 AM to 4:00 PM Monday thru Friday. During this time clients will need to schedule their rides at least 24 hours ahead of time as we may not be able to take same day calls. We will do our very best to honor each ride and schedule what is available but clients who have scheduled at least a day of head will be honored first. There may be times we are only able to run one bus at times during the day. This will continue until we are able to be back at full staffing.

If you have any questions please feel free to call the office and talk with Cathy or Kirby, 701-662-5061.
